Average Girl

BarlowGirl

So what I'm not your average girl
I don't meet the standards of this world
Chasing after boys is not my thing
See I'm waiting for a wedding ringNo more dating, I'm just waiting
Like sleeping beauty
My prince will come for me, oh, come for me
No more dating, I'm just waiting
'Cause God is writing my love story, my love storyBoys are bad, that's certainly not true
'Cause God is preparing one for you
If you get tired waiting till he comes
God's arms are the perfect place to runNo more dating, I'm just waiting
Like sleeping beauty
My prince will come for me, oh, come for me
No more dating, I'm just waiting
'Cause God is writing my love storySleep, that's the only thing for me
'Cause when I sleep
God's preparing one for meNo more dating, I'm just waiting
Like sleeping beauty
My prince will come for me
No more dating, I'm just waiting
Like sleeping beauty
My prince will come for me, oh, come for meNo more dating, I'm just waiting
'Cause God is writing my love story
No more dating, I'm just waiting
'Cause God is writing my love story, my love story
No more dating, I'm just waiting
