

Dog Sh*t

Wu-Tang Clan

Intro: (Ol' Dirty Bastard)

Hooooo! Heeeeyyyyy! Heeee Haaaaaaa! HoooOOOOoo!

She blew in like corn breeze

Tall, brown skin, her weave like palm trees

I wear cocouts

Dip my dunk in between your donuts

Don't want it if it aint no slut, bitch!

Father said touch ground

Like playin' Snoop

Don't invite me, I tear the fuck down

White boys cut my toupee

Seven-day resta, on screenplay

I smoke MCs, slay

Aint nutten to bus' ass

Bullet him, get 'im fast!

Bitch, I don't break out

Pass to the next grass

The dog piss on MCs like trees

Got mill's but still grill that ol' good welfare cheese

Hooooo! (etc.)

Shame on a nuh!

Who try to step tuh

The Ol' Dirty Bast', put my foot up your uh!

Bitch, you walk around with you bra too tight

'S alright, you still gon' get fucked tonight

Ho!

(Method Man: Stinkin' ass ho!)

You're the type of bitch, don't appreciate shit

Never had shit, so you won't be shit

That pussy there couldn't satisfy a hair on my body

Treat me like a Lord, and slobber me down

(slurp, slurrrrrp)

Doo-doo brown!

Tossed salad!

Aww, you on some shit now

Callin me a dog, well leave a dog alone

Cause nuthin can stop me from buryin' my bone

In the back yard of someone else's house

Ol' Dirt Dog, but I'm not dogged out

Here comes Rover, sniffin' at your ass
But pardon me bitch, as I shit on your grass
That means ho, you been shitted on
I'm not the first dog that shitted on your lawn!
Hooooooooo! (etc. out)
