

# Firecracker (Live In Brighton)

[Ryan Adams](#)

Black birds slow and softly breaks a glass of wine  
Broken bluesy whisper sing to me tonight  
Well, everybody wants to go forever  
I just want to burn up hard and bright  
I just want to be your firecracker  
And maybe be your baby tonight  
Maybe be your baby tonight  
Lady, your kicks of silence cough into your room  
Kiss me slow and softly make me dream of you  
Well, everybody wants to go forever  
I just want to burn up hard and bright  
I just want to be your firecracker  
And maybe be your baby tonight  
Maybe be your baby tonight  
So when does the plane go down  
'Cause I'm gonna ride it till it hits the ground  
Then go out with a fight  
'Cause I just want to be your baby tonight
