

Decorator

Red Wanting Blue

In color... She crept under my skin
And burrowed under my arm
Oh, so out and in
She made a home in my heart
Higher than the sky
Brighter than the sun with her eye for detail
She's dancing alone... Oh she diluted my sin
And triggered a love unarmed
Oh, so out and in
She made a home in my heart...
All of my insides on the outside
Pretty to see when it's all right
In love... Big sound all around, and everybody wanted to be so...
Big sound all around, and everybody wanted it...
Big sound all around, and everybody wanted to be so...
Big sound all around, and everybody wanted the top to fall... Oh she crept under my skin
And burrowed under my arm
Oh, so out and in
She made a home in my heart
All of my insides on the outside
Pretty to see when it's all I've got
To believe in me and everything
In the way you move in my mind
Collecting the sunlight
It's easy to see when it's all right... In love
