Never Turn Back

John Scofield

I started out for heaven
Such a long time ago
For the world of temptation
Made my journey hard and slowI turned to worldly pleasures
But I only found pain and woe
I'm back on the road to the city
And I'll never turn back no more
No, no, no more, no more, no, no moreGonna keep on trying
Till I reach the other shoreWind may blow, storm may rise
Wind may blow me, Lord, side to side
I'll never turn back to the city
No, I'll never turn back no moreNever turn back, never turn back
Never turn back, never turn back
Never turn back, never turn back
Never turn back, never turn backNever turn back, never turn back
Never turn back, never turn back
Never turn back, never turn back
Never turn back, never turn backNever turn back, never turn back
Never turn back, never turn back
Never turn back, never turn back
Never turn back, never turn backNever turn back, never turn back
Never turn back, never turn back
Never turn back, never turn back
