## Fat White Family

Honey Honey it's no use  
Coughin' up half of your soul  
Baby Baby all your dreams  
Are perfectly under control

Hits Hits Hits

Don't you know that I feel so sorry  
For this love that I found  
But there's a hatred in you my woman  
just can't get rid of me now  
Sister Tina don't be shy  
Patience is starting to bruise  
Better spread

What have you got to prove
