

Mad

Marillion

Tell me I'm mad
How should I know?
Tell me I'm mad
I have been here for so longHelp me paint a picture
They say it's a lie
Tell me I'm mad
You're a fine one to decideBurn me in the fires of wild heaven
Like it never, never, never would stop
Tell me I'm mad
Tell me I imagined thatWas it something I didn't say
Or was it something I said?
Leave that stuff alone
Use me instead
