Fractals (Tomas Barfod Remix)

Keep Shelly In Athens

fading distant memory
times that we borrow,
to wallow
inside...
to come back in glow
to come back in sorrow
tomorrow...lay down
we're silent
frozen fractals,
now we're shading our way...
my threads are worn
my words are broken
broken
spirits reborn
feelings awoken
unspokenlay down
we're silent
frozen fractals,
now we're fading away...
lay down
we're silent
frozen fractals,
now we're voices still shiverin'...
Fractals
Fractals
Fractals...
