

When We Trust in You

[**Andrea Hamilton**](#)

When we trust in You
We will not be shaken
Like a mountain tall
We will not be movedYou are God on high
And we're Your creation
Like the rain that falls
You surround Your own
And we'll never be aloneChorus:
In the darkest night when the waves grow tall
And we cannot see Your hand at all
We will trust in You
We will trust in You
You are faithful Lord to see us through
So we place our faith in what You will do
And we trust in You
And we trust in YouVerse 2:
In Your Name O Lord
An enduring promise
If we have to wait
We will not lose hopeWe will lift You high
With new abandon
There is no one else
Who is always true
Nobody but YouChorusBridge
Because of Your goodness
Your righteousness
Your love for us
Lead us on
Because of Your goodness
Your righteousness
Your love for us
Lead us onChorus 2x
