

# My Ungrateful Heart

[Sandi Thom](#)

Would you lie would you lie lie lie in these lonely arms of mine  
I wanna try I will try try try for this love one more time  
Don't wanna lose you to the stars  
I wish I'd told you from the start  
Not to listen to my ungrateful heart. Baby give me one more chance  
And I will shoot down the moon for you  
Darling you're my sweet romance  
There's nothing that I wouldn't do. So when you cry when you cry cry cry let me shoulder your tears  
I'm gonna try I will try try try to hold on through the years  
Don't wanna lose you to the stars  
I wish I'd told you from the start  
Not to listen to my ungrateful heart. Baby, give me one more chance  
And I will shoot down the moon for you  
Darling, give me one last dance  
And maybe our love can be true.
