Faceless

Red

A voice screaming from within, begging just to feel again
Can't find who I am without You near me
I'd give anything to live, without You I don't exist
You're the only one who saves me from myselfI've been in this love and laid it to rest
And now I'm one of the forgottenI'm not, I'm not myself, feel like I'm someone else
fallen and faceless, so hollow, hollow inside
A part of me is dead, need You to live again
Can you replace this? I'm hollow, hollow and facelessShadows growing in my mind, ones I just can't leave behind
I'm not strong enough to pay this ransom
One more monster crawled inside but I swear I saw it die
Can You save me from the nothing I've become?I've been in this love and laid it to rest
And now I'm one of the forgottenI'm not, I'm not myself, feel like I'm someone else
fallen and faceless, so hollow, hollow inside
A part of me is dead, need You to live again
Can you replace this? I'm hollow, hollow and facelessI'm faceless
I'm hollow and facelessWe are the faceless
We are the nameless
We are the hopeless
Until we have faces
FacelessI'm not, I'm not myself, feel like I'm someone else
fallen and faceless, so hollow, hollow inside
A part of me is dead, need You to live again
Can you replace this? I'm hollow, hollow and facelessFaceless
