

# Raining (Filth Collins Remix)

## Kaskade

Tonight every street in the city  
Ends up where I don't want to be  
The signs tell me how far I am from you  
Even though you're all that I see I'm in the car speeding from the past  
But it's raining on my windshield tonight tonight  
I'm in the car speeding from the past  
But it's raining on my windshield tonight tonight Praying it won't last, tonight Tonight the world is much smaller  
With room for only you and me  
It feels like I'm falling backwards  
Into how I used to be I'm in the car speeding from the past  
But it's raining on my windshield tonight, tonight  
Praying it won't last tonight I'm in the car speeding from the past  
But it's raining on my windshield tonight, tonight  
Praying it won't last, tonight, tonight
