Full Circle

Drowning Pool

The price leaves me feeling empty
A rusted inside, a broken frown
The clock is real, make a deal, risk another hand
Time is now and the payment is my sin
You think it's over
Well, I've come too far to back down now
You think it's over
My time to rise above you
It's time to rise above you
We've come full circle
(We've come)
It's time to rise above you
My time to rise above you
When I dream, I breathe easy
A perfect ending, a perfect now
No remorse
(No remorse)
No regret
(No regret)
Ain't got time for the simple-minded bullshit
You think it's over
Well, I've come too far to back down now
You think it's over
My time to rise above you

It's time to rise above you
We've come full circle
(We've come)
It's time to rise above you
My time to rise above you
My life, a crown of thorns
(A crown of thorns)
My life, an open door, yeah
You think it's over
You think it's over
Well, I've come too far to back down now
You think it's over
My time to rise above you
It's time to rise above you

We've come full circle
(We've come)
It's time to rise above you
My time to rise above you
Rise above you, rise
Rise above you, rise, rise
Rise above you
Rise above you
