

Clay

Grace VanderWaal

[Verse 1 - Grace VanderWaal]

You see a girl in the hallway
And then you whisper to your friend, "Who is she anyway?"
You forgot what she looks like, in like a day
But your words don't hurt me
I will be okay

[Bridge]

'Cause you don't hurt me
I won't mold to..[Chorus]
Your silly words
I won't live inside your world
Cause your punches and your names
All your jokes and stupid games They don't work
They don't hurt
Watch them just go right through me
Because they mean nothing to me[Hook]
Try to change my shape
But baby I'm not clay
Sorry not today
Cause baby I'm not..Try to change my shape
But baby I'm not clay
Sorry not today
Cause baby I'm not clay[Chorus]I'm not clay
