Screw You

Cheryl Cole

We can't love, not like this
You broke me down, do I even exist?
After everything, gave you everything, I lost everything
Love is so lonely now
Cos I don't wanna run no more
Can't believe all the sh** I did for you
And I don't wanna hurt no more
Oh my heart, it must've been too big for you
So caught up in the love I felt for you
I burned out like a flame I held for you
But it never was enough, I never got your love
I loved you so much but you never gave a f#ck
So screw you
(Never loved, no you never loved me)
After all the love that I gave to you, boy screw you
(Never loved, no you never loved me)
Yeah, screw you
(Never loved, no you never loved me)
After all that I did, I did for you, boy screw you
(Never loved, no you never loved me)
Screw you(you, you, you, you, you, you)
Gave it all I had, gave it all I could
Got me feeling ways I probably never should
Could've been the best performer of the show
But now we'll never know, now we'll never know
I can still remember our first date, yeah
Never thought I'd ever scream I hate ya
You can bring me in the clear from far away
You could only stand to love me yesterday
Cos I don't wanna run no more
Can't believe all the sh** I did for you
And I don't wanna hurt no more
Oh my heart, it must've been too big for you
So caught up in the love I felt for you
I burned out like a flame I held for you
But it never was enough, I never got your love
I loved you so much but you never gave a f#ck
So screw you
(Never loved, no you never loved me)

After all the love that I gave to you, boy screw you
(Never loved, no you never loved me)
Yeah, screw you
(Never loved, no you never loved me)
After all that I did, I did for you, boy screw you
(Never loved, no you never loved me)
Screw you
[Wretch 32]
I'm trying to keep the peace
We've become a nightmare ruining my sleep
Pain in my right ear saying screw me
'Til I throw a spanner in the works and they leak
Oh what a dream, me and my soul
Judge a book by a cover when I saw you on the Vogue
Managing my love, always spend my roll
And now I'm left back feeling kinda cold
Woah, so screw you
We can't love, not like this
You broke me down, do I even exist?
After everything, gave you everything, I lost everything
Love is so lonely now
Cos I don't wanna run no more
Can't believe all the sh** I did for you
And I don't wanna hurt no more
Oh my heart, it must've been too big for you
So caught up in the love I felt for you
I burned out like a flame I held for you
But it never was enough, I never got your love
I loved you so much but you never gave a f#ck
So screw you
(Never loved, no you never loved me)
After all the love that I gave to you, boy screw you
(Never loved, no you never loved me)
Yeah, screw you
(Never loved, no you never loved me)
After all that I did, I did for you, boy screw you
(Never loved, no you never loved me)
Screw you
