Fight

Chiasm

What do you want from me
What do you plan tonight
Can you see what I can't see
Will you put up with the fight

I will remain alone this time
Until I know for sure what's mine
Why can't you face the truth
Why must you run and hide

Your ego's killing you
I hate your stupid lies
I can't believe what you've done now

The faith we had can't explain how
Your selfish games and cruelty
Somehow always comeback to me
I will remain alone this time until I know for sure what's mine
