

# You Make My Heart Sing Louder

Gavin DeGraw

I can hear it coming  
Feel it inside my bones  
Oh, take me now  
To the lake of fire  
All of the hearts I have broken  
Hard as a rolling stone  
Oh, it comes around  
When you're out of time This town I left for dead  
Heart stopped, I had reached the end  
That's when you raised my head  
And led me into the light, hey  
Walked me to the waterfall  
Slowly you removed it all  
Set free my well and wall  
You brought me back to life 'Cause you make my heart sing louder  
High as the Eiffel Tower  
And in the midnight hour  
You give my love that power When you would take me over  
Show me I'm not alone  
You say that needing help  
Don't mean you not strong  
Soon as the sky is falling  
And all that I had is gone  
Oh, I fear no hell  
Since you came along This town I left for dead  
Heart stopped, I had reached the end  
That's when you raised my head  
And led me into the light, hey  
Walked me to the waterfall  
Slowly you removed it all  
Set free my well and wall  
You brought me back to life 'Cause you make my heart sing louder (you make my heart sing)  
High as the Eiffel Tower (high as the Eiffel Tower)  
And in the midnight hour (oh, in the midnight hour)  
You give my love that power You're lifting me up and setting me free  
Showing me something I could believe  
Giving me hope you know that I need  
And I am blinded, by it  
Open my heart I gave you my soul

Gave you permission, gave you control  
Show me the world that I didn't know  
Let me inside it, inside it, yeah'Cause you make my heart sing louder (oh you make, oh you make)  
High as the Eiffel Tower (high as the Eiffel Tower)  
And in the midnight hour (yeah, in the midnight hour)  
You give my love that power (oh yeah)Na, na na, na  
Na, na na, na  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Na, na na, na  
Na na na, na
