

In 2 Deep

Damian Marley

Want to commit suicide
'Cause you've been denied of your 9 to 5
You're in 2 deep
And you're over 10
And watch CNN and believe everything
You're in 2 deep And your 35 and you still survive
Idle 'pon corner side
You're in 2 deep
And your 55 and don't have a child
For your joy and your pride
You're in 2 deep And yuh riding a freak
And she love how you do it and your condom deplete
You're in 2 deep
And she seh, "Baby please"
And you're weak in the knees and kick off and release
You're in 2 deep Then you hear from the streets
Seh she full of disease and you start to sneeze
You're in 2 deep
All months and fi weeks
All food yuh nuh eat and you weight start decrease
You're in 2 deep So don't be in 2 deep
For you wi' incomplete
When you drop in the streets
You wi' drop in 2 deep And don't be in 2 deep
For you wi' incomplete
When you drop in the streets
You wi' drop in 2 deep You a war against the beast
And when things fi squeeze, that's when you-a freeze
You're in 2 deep
And you one a bleach
And you drop asleep and machine a beat
You're in 2 deep You exult and hype
Like you fling Dandimite and nuh live gangster life
You're in 2 deep
And a run off you beak
And your thing go breach and bad man go see it
You're in 2 deep Then if a one police
Find you with yuh piece and you start to squeal
You're in 2 deep

And you get release
Man a circle you neat and you think it nuh real
You're in 2 deep Then true things go sleep
You go decide to sneak some coke in your crease
It's in 2 deep
And go overseas
And same time you reach, dog sniff out you crease
He's in 2 deep So don't be in 2 deep
For you wi' incomplete
When you drop in the streets
You wi' drop in 2 deep And don't be in 2 deep
Your mama incomplete
When you drop in the streets
You wi' drop in 2 deep You a brag 'bout your wealth
And speak of yourself, like you're someone else
You're in 2 deep
When you just start to grow
But you think you a pro, 'cause you see it inna show
You're in 2 deep Think you know everything
And worship the bling and deny the King
You're in 2 deep
Mesmerized by the beat
CD on repeat, memorizing my speech
You're in 2 deep So don't be in 2 deep
For you wi' incomplete
When you drop in the streets
You wi' drop in 2 deep And don't be in 2 deep
Your papa incomplete
When you drop in the streets
You wi' drop in 2 deep Want to commit suicide
