Radio Song

Jet

Take a look
At what I took,
The leaf out of everybody's book.
We see
What you
Can't see.
I'm caught in a trap of my own
Like everybody I know[Chorus]
This won't be played on your radio
Tonight
This won't be played on your radio
TonightDo you all know
Of the Emperor's clothes
Walking down an empty road.
We see
What you
Can see
That's not how I want to be
Anyhow
Every time
The same dream[Chorus]This won't be played on your radio
ShowThis won't be played on your radio
Tonight
This won't be played on your radio
Tonight
