

True Colours

Kasey Chambers

You with the sad eyes
Don't be discouraged
Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it
of the darkness inside you
Makes you feel so small But I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow Show me your smile then,
Don't be unhappy, can't remember when,
I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show your,
True colors
True colors
are beautiful like a rainbow If this world makes you crazy
And you've taken all you can bear
Just call me up
Because you know I'll be there And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show your,
True colors
True colors
are beautiful like a rainbow
