She Dgaf (Explicit Album Version)

The Internet

Her state of mind is constantly changing
To Hell and back
She drives, switching lanes
Not knowing what she has till she knows where she's going
If she can just get past this traffic
She tries and tries to find peace of mind
But these days everything's in your face
So she stays sober in her mind
Blowin' smoke in the sky
Cause it's her only vice
I wonder whyShe blows smoke in the air, in the air, in the air
'Cause she don't give a fuck
'Cause she don't give a fuck
'Cause she don't give a fuck
'Cause she don't give a fuck
No
She shaved off all of her hair, of her hair, of her hair
'Cause she don't give a fuck
'Cause she don't give a fuck
'Cause she don't give a fuck
'Cause she don't give a fuck
NoSome people seen the way she is changing
They don't know the struggles that she was raised with
So shut the fuck up
Just shut the fuck up
Stop thinking that you know everything
You don't and you never will so just let it go
And be free as long as you're kind
Then you can roll with the finest
So don't wonder whyShe blows smoke in the air, in the air, in the air
'Cause she don't give a fuck
'Cause she don't give a fuck
'Cause she don't give a fuck
'Cause she don't give a fuck
No
She shaved off all of her hair, of her hair, of her hair
'Cause she don't give a fuck
'Cause she don't give a fuck
'Cause she don't give a fuck

'Cause she don't give a fuck
No
