Heartburn (feat. Rufus Wainwright)

Kate & Anna McGarrigle

Is this heartbreak or is this heartburn?
Have I been played or do I need a rolaid?
Gotta learn the difference 'tween I love ya
The difference 'tween I love ya and the symptoms of ebolaIs this heartbreak or is this heartburn?
Can I be spared from being so dramatic?
Gotta learn the difference 'tween I love ya
The difference 'tween I love ya and that derailed rollercoasterGonna rain down on my sunny Sunday shoes
Guess best I get some galoshesLet me tell you that this song's useful
Yes this song's useful when you're really drunk
And you gotta learn the difference 'tween I love ya
The difference 'tween I love ya and whatever.
