

My Wish

Justin Hines

(Verse One)

My wish for all the world
On Christmas day
Would last the whole year through
â€™Cause for all the love Iâ€™ve known
On Christmas day
I wish to give to you

(Chorus)

Oh spendinâ€™ every day
In an old familiar way
With not much time to give.
But donâ€™t tell me canâ€™t try
To be someone elseâ€™s light
Itâ€™s how I wish to live

(Verse Two)

â€™Cause my wish for all the world
On Christmas day
Is to find some peace in troubled land
Then the joy in younger eyes
On Christmas Day
Would live in all of man.

(Chorus)

Oh spendinâ€™ every day
In an old familiar way
With not much time to give.
But donâ€™t tell me canâ€™t try
To be someone elseâ€™s light
Itâ€™s how I wish to live.

(Instrumental Interlude)

(Chorus)

Oh spendinâ€™ every day
In an old familiar way
With not much time to give.
But donâ€™t tell me canâ€™t try
To be someone elseâ€™s light

Itâ€™s how I wish to live.

(Verse Three)

â€™Cause my wish for all the world

On Christmas day

Will last the whole year through

â€™Cause for all the love Iâ€™ve known

On Christmas day

I wish to give to you.

I wish to give to you.
