

Gold Elephant: Cherry Alligator

Twin Atlantic

Kiss it good, kiss it real good
Let me feed the alligatorAh kiss it good, kiss it real good
 Let me feed the alligator
Pull my teeth out, pull my sunken eyes out
 Just a cherry stone in it
Recreation, recreation, recreation
Recreation, recreation, recreation
OhKiss it real good, kiss it real good
 Let me feed the alligator
Pull my teeth out, pull my sunken eyes out
 Just a cherry stone in it
 Gold, gold, gold
 Gold, gold, gold
 Gold, gold, gold
 Gold, gold, gold
Elephant in the sun, in the sun, in the sun
 Marching band, marching band
One man bandIt told me to go faster
 Crashes in the lake
Stalled in the desert
Wrote my song before the breakfast
I dance with binoculars on my face
Dance with binoculars on my face
My faceAh kiss it good, kiss it real good
 Let me feed the alligator
Pull my teeth out, pull my sunken eyes out
 Just a cherry stone in it
Kiss it real good, kiss it real good
 Let me feed the alligator
Pull my teeth out, pull my sunken eyes out
 Just a cherry stone in it
 Recreation
 Recreation
 Recreation
 Recreation
 Recreation
RecreationGold, gold, gold
Gold, gold, gold

Make me go insane

Gold, gold, gold

Make me go insane

Tell me to go faster

Crashes in the lake

Stalled in the desert

Wrote my song before the breakfast
