

Texas

Wheatus

(feat. Cowboy Troy)
It's Cowboy Troy
Turn up the John Rich!
(Texas)
It's Cowboy Troy
Turn up the John Rich!
From the land of bigger the toys
Bigger the noise (bigger the noise)
That's right!
Bang your head
Everybody let your ears get fed
(Texas)
The Lone Star state
Yee haw!
You can take the boy out of Texas
But you can't take Texas outta the boy

I get raunchy, rude, rowdy and reckless
When I throw my arms up and make a little noise
But I wind up in the wrong scene
Yeah they're always trying to cuff me
Well I ain't gonna apologize
For the Amarillo in my eyes
'Cause I'm Lone Star proud son
Yeah that's where I come from
Hey well I've been know to go a little too hard
And said "down to a Hollywood bar"
Just like a rhinestone rock star
Play me some Willie and some Stevie Ray
And then you best get on outta my way
'Cause there ain't no stopping me
It's all up in my bloodstream
