## **Beautiful Girl (Alternate Version)**

## Sophie B. Hawkins

Are you alright? Is there a light?
Can you still hear me? Where you are?
Are you so fine

That you can slip between the lines? You're such a beautiful, beautiful girl

You make the sky come down, you make the earth go round

You're such a beautiful, beautiful girl

When you walk in the room, you make the winter bloom

You're such a beautiful, beautiful girl, ohhThey want your soul, but you can float away

A flock of Angels just above your head

Can hear your every sigh

And love you when you cryYou're such a beautiful, beautiful girl

You make the sky come down, and make the earth go round

You're such a beautiful, beautiful girl

When you walk in the room, you make the winter bloomYou're such a beautiful, beautiful girl

You drive your daddy mad, you make your momma sad

You're such a beautiful, beautiful girl

You make the wise unsure, you make the rich feel poor, oh yeahYou're so beautiful, you're so beautiful

You're such a beautiful, beautiful girl

You're so beautiful, you're so beautiful

You're such a beautiful, beautiful girlYou're such a beautiful, beautiful girl

You make the sky come down, you make the earth go round

You're such a beautiful, beautiful girl

When you walk in the room, you make the winter bloomYou're such a beautiful, beautiful girl

You drive your daddy mad, you make your momma sad

You're such a beautiful, beautiful girl

You make the wise unsure, you make the rich feel poor, yeahYou're so beautiful, you're so beautiful

You're such a beautiful, beautiful girl

You're so beautiful, you're so beautiful
