All Things New

True Worshippers

Alive. In You we're so alive
With new hopes in our hearts.
For the freedom that You gave.
Yeah,the freedom in our lives.
Our lives have been redeemed
By the beautiful blood of Christ.

So now we come to You.
So now we worship You.
You make all things possible.
You reign victorious.
All our voices sing.
All creation bring

Their adoration for the king. Who reign in the glory.
Behold the One who's making all things new.
For we have been redeemed. Yes we have been set free.
And You are all we need.
So now our lives will shine for all to see.
