

# No Quitter, Go Getter

## Lil' Wayne

Michael Phelps this one for you baby I'm goin for the gold,

My heart is in control,

My mind is on succeed,

And I am in the lead.

Don't buy into the scheme

The science or strateg

Just giant n u t's

Brings triumph and believe

I'm reliant on riddim

Inspired by the green

Never tired nor fatigue

Never defiant to my team

Never lying on the thing

Until I'm lying on the thing

Hooked to wires and things

I'm a die as a king

If I don't

Do it now

I'm a try it again

When I do accomplish it

I'm a try it again

I'm a riot insane

I'm a lion my mane

Hangs down

To my strings

And they're tied to the game

I stay dry when it rain

I'm tired of the fame

Got everything to gain

And I'm proud of the pain

The pride and the blame

The wise and the strange

Denied by the sane

Besides we're the same

Who's guiding the train

Who's flying the plane

Who's driving the lane

Who dies when it bang

Who fires when it bang

Who lies in the aim  
Two lives in the drain  
Who cries when they sing  
You hide but you can't  
You hide but you ain't  
I advise you to think  
You won't find what you can't  
Revive what you taint  
Survive what you paint  
Supersize what you shake  
The fries and a drink  
Admired as a saint  
Defined by my rank  
Combined with my strength  
my time and my length  
And I'm a iron out the kinks  
Yes I'm on the brink  
And in the eye of a wink  
I'm a retire in a bank yeah And I'm no quitter cause I'm a go I'm a go I'm a go getta and I'm no quitter cause  
I'm a go I'm a go I'm a go getta  
Yeah I I'm gon get it I I'm gon get it yeah I'm gon get it yeah  
Cause I'm a go I'm a go I'm a go getta Victory consistently  
Train all year  
To be the enemy's misery  
No stress visibly  
Neither does it enter me  
I think postively  
You can't harm me mentally  
Not physically  
Not spiritually  
You'll never get rid of me  
I am the epitome  
Of "this is what you did to me"  
Nothing is what you did for me  
Nothing is what you give to me  
I take whatever I'm visioning  
Now break all the limiting  
Now shake all the gimmicking  
The fakery  
The trickery  
Nurse  
How sick is he  
Worse  
I'm sickening  
I'll be at the finish line

First

How quick is he

I'm on that show

They mention me

For the next century

I ain't with the bickering

I am full of dignity

I am full of energy

Pull out the inner me

A bull after dinner meat

I stood in the winter heat

It could be the end of me

But good be defending me yeeaaaahhh And and I'm no quitter I'm a go I'm a go I'm a go getta yeeaaaahhhh and

I'm no quitter I'm a go I'm a go I'm a go getta and I'm no quitter I'm a go I'm a go I'm a go getta Yeaah I'm

allergic to cheating

I hate failure

And I am in love with achievement

Above and beneath it

A hug when I greet it

My eyes on the prize

And I love when I seek it

Done with the speaking

Begun with the preaching

I pray

Until I am one with the deacon

I play

Until I have won whatever we win

I play

Until I have won and then I re-win

Yeeaaaahhhh! And I'm no quitter

I'm a go I'm a go I'm a go getta

Yeeaaaahhhh

And I'm no quitter

I'm a go I'm a go I'm a go getta

I'm gon get it yeah I'm gon get it yeah I'm gon get it yeah

And I'm no quitter

I'm a go I'm a go I'm a go getta

Yeeaaaahhhh

And I'm no quitter

I'm a go I'm a go I'm a go getta

Yeeaaaahhhh

And I'm no quitter

I'm a go I'm a go I'm a go getta

And I'm no quitter
