You Give Me Hope

Between the Trees

I look at your smiling face,
You're so weak, yet you have such strength,
You take a glance around this place,
You make the best of everythingYou give me hope, in spite of everything,
You show me love, even with so much pain
So I'll take this life and live like I was given another tryWe laugh, we cry
Sometimes we're broken and we don't know why,
I'm tired and I lose my way,
you help me find faith, oOoYou give me hope, in spite of everything,
You show me love, even with so much pain
So I'll take this life and live like I was given another try
Just give me another tryYou give me hope, in spite of everything,
You show me love, even with so much pain
So I'll take this life and live like I was given another tryYou give me hope, in spite of everything,
You show me love, even with so much pain
So I'll take this life and live like I was given another try
Just give me another try
Just give me another try
