They Come

Blitzkid

Descend upon the black night with deadly intentions
No light's left in the eyes of these expired henchmen
Beckoned back unto the earth from their festering place
This horror lives, it breathes and stares at you straight in the faceI hear a rumblin' comin' from the underground
Tonight the dead shall rise for carnage
They come from the grave
They come from the graveScattered remnants of mankind lies at their feet
A threat to all humanity we can't control these beasts
This genocidal pack of mad cadav'rous forces
The planet's overcome by these living corpsesI hear a rumblin' comin' from the underground
Tonight the dead shall rise for carnage
They come from the grave
They come from the graveThey come from the grave with murder on their minds
They come from the grave within the broad daylight
They come from the grave with murder on their minds
They come from the grave though dead, they walk aliveWalk alive, walk alive
Walk alive, walk alive
