

# Barbie Dreams

Nicki Minaj

Uh

R.I.P. to B.I.G.

Classic shit I'm looking for a nigga to give some babies

A hand full of Weezy, sprinkle of Dave East

Man, I ain't got no type, like Jxmmi and Swae Lees

But if he can't fuck three times a night, peace

I tried to fuck 50 for a powerful hour

But all the nigga wanna do is talk Power for hours

B-beat the pussy up, make sure it's a K-O

Step your banks up like you're moving that ya-yo

Somebody go and make sure Karrueche okay though

I heard she think I'm tryna give the coochie to Quavo

They always wanna beat it up, goon up the pussy

Man, maybe I should let him autotune up the pussy

All these Bow Wow challenge niggas lying and shit

Man, these Fetty Wap niggas stay eyeing my shit

Drake worth a hundred milli, always buying me shit But I don't know if the pussy wet or if he crying and shit

Meek still be in my DMs, I be having to duck him

"I used to pray for times like this"

Face ass when I fuck him

Man, Uzi is my baby, he ain't takin' an L

But he took it literally when I said, "Go to hell"

Used to fuck with Young Thug, I ain't addressing this shit

C-caught him in my dressing room, stealing dresses and shit

I used to give this nigga with a lisp testers and shit

How you want the pu-thy? Can't say your S's and shit

Dreams of fucking one of these little rappers

I'm just playing, but I'm saying

Dreams of fucking one of these little rappers

I'm just playing, but I'm saying

Dreams of fucking one of these little rappers

I'm just playing, but I'm saying

Dreams of fucking one of these little rappers

I'm just playing, but I'm saying I remember when I used to have a crush on Special Ed

Shoutout Designer, 'cause he made it out of special ed

You wanna fuck me, you gotta give some special head

'Cause this pussy had these niggas on some special meds

Like Mike Tyson, he was biting my shit

Talking 'bout, "Yo, why you got these niggas fighting and shit?"

On the real, I should make these niggas scrap for the pussy  
 Young M.A. and Lady Luck, get the strap for this pussy, uh And I would've had Odell Beckham banging the  
 cake  
 'Til I saw him hopping out of cars dancing to Drake  
 I been a five-star bitch, man, word to Gotti  
 I'ma do that nigga Future dirty, word to Scottie  
 Had to cancel DJ Khaled, boy, we ain't speaking  
 Ain't no fat nigga telling me what he ain't eating  
 YG and The Game with the hammer yelling, "Gang, gang"  
 This ain't what I meant when I said a gang bang  
 Tekashi want a mÃ©nage, I said tre-way  
 Curved him and went the Kim and Kanye way  
 Em', cop the Barbie Dreamhouse then you can play the part  
 I ain't tryna bust it open in the trailer park Dreams of fucking one of these little rappers  
 I'm just playing, but I'm saying  
 Dreams of fucking one of these little rappers  
 I'm just playing, but I'm saying  
 Dreams of fucking one of these little rappers  
 I'm just playing, but I'm saying  
 Dreams of fucking one of these little rappers  
 I'm just playing, but I'm saying  
 Barbie dreams  
 Barbie dreams  
 I'm just playing, but I'm saying  
 Dreams You know I'm all about them dollars  
 I be supporting them scholars  
 I let him give me some brain  
 But he wanted me to ride it  
 So I said, "Fuck it, I'm in"  
 He want a cut like a trim  
 And if he act like he know  
 I let him fuck it again I got them bars, I'm indicted  
 I'm popping, I'm uninvited  
 I said, "Just lick on the clitoris, nigga, don't fucking bite it"  
 I ride his, in the circle  
 I turn Stefan into Urkel  
 I go around and around and I'ma go down in slow motion Then I pick it up, look at it  
 I said, "Daddy, come get at it," uh  
 Yellow brick road, he said that I am a wiz at it  
 Yeah, they want it, want it  
 You know I flaunt it, flaunt it  
 I'm a trendsetter  
 Everything I do, they do  
 Yeah, put 'em up on it, on it Dimelo papi, papi  
 Yo quiero sloppy, sloppy

I'll give it to you if you beat it up like Baki, Baki  
I'ma kill 'em with the shoe, no ceiling is in the roof  
And I'm big, give me the loot, twelve cylinders in the Coupe  
I get down with the chrome, I tell 'em when I'ma shoot  
I just bang, bang, bang, real killers is in my group  
Gorillas is in my unit, vacationin' where it's humid  
And I shine, shine, shine, got diamonds all in my cubans  
I'm in LA Times more than when niggas lootin'  
And my flow spit crack, I think that nigga usin'  
He done bodied everybody, in closing these bitches losin'  
Using, using up a bitch movin'  
No I ain't Studdard and no I ain't Ruben  
Damn, a bitch snoozin'  
Shoutout to my Jews, I'chaim, Rick Rubin  
Big fat titties, yes, they be protrudin'  
I be like, fuck 'em, fuck 'em, bring the lube in  
I be like fuck 'em, fuck 'em, bring the lube in
