Get Behind This

Flor

I watched the fire burn down
I saw the smoke carry it awayBut all this joy out of the ashes
I would've held on, but I got distracted
I guess I never thought
Anything good could come from the dead and goneLet it go on
Everyone else is having their fun
Don't you get uptight, doesn't help none
Guess I could get behind, get behind thisLet it go on
Everyone else is having their fun
Don't you get uptight, doesn't help none
Guess I could get behind, get behind this
I'm left staring in awe
So much life beyond my control
But it's better that wayBut all this joy out of the ashes
I would've held on, but I got distracted
I guess I never thought
Anything good could come from the dead and goneLet it go on
Everyone else is having their fun
Don't you get uptight, doesn't help none
Guess I could get behind, get behind thisLet it go on
Everyone else is having their fun
Don't you get uptight, doesn't help none
Guess I could get behind, get behind thisI guess there's still a lot to learn
I know I've got a lot to learn
Let it go on
Everyone else is having their fun
Don't you get uptight, doesn't help none
Guess I could get behind, get behind thisLet it go on
Everyone else is having their fun
Don't you get uptight, doesn't help none
Guess I could get behind, get behind thisLet it go on
Everyone else is having their fun
Don't you get uptight, doesn't help none
Guess I could get behind, get behind this
