

The Devil Within (OST Pretty Little Liars 4.1)

Digital Daggers

I will keep quiet
You won't even know I'm here
You won't suspect a thing
You won't see me in the mirror
But I crept into your heart
You can't make me disappear
Til I make you I made myself at home
In the cobwebs and the lies
I'm learning all your tricks
I can hurt you from inside
Oh I made myself a promise
You would never see me cry
Til I make you
You'll never know what hit you
Won't see me closing in
I'm gonna make you suffer
This Hell you put me in
I'm underneath your skin
The Devil within
You'll never know what hit you I will be here
When you think you're all alone
Seeping through the cracks
I'm the poison in your bones
My love is your disease
I won't let it set you free
Til I break you
I tried to be the lover to your nightmare
Look what you made of me
Now I'm the heavy burden that you can't bear
Look what you made of me
Look what you made of me
I'll make you see You'll never know what hit you
Won't see me closing in
I'm gonna make you suffer
This Hell you put me in
I'm underneath your skin
The Devil within
You'll never know what hit you
