Hi And Goodbye

A-teens

I see you walking down the street
I catch your eye before we meet
But you look down to check your feet
I wish I'd say ?Are you okay??
You're looking better everyday
But I just smile and walk away
Why did two lovers end up like strangers?
When did we stop see eye to eye?
Everyday you took my breath away
But now there's no reply, only hi, goodbye
Like a dream come true
When it was me and you
Now I just don't know why
We say hi and hi and goodbye
Hi and goodbye
I know it sounds like a clich
