

# Animal

Ke\$ha

I am in love  
With what we are  
Not what we should be And I am, I am starstruck  
With every part  
Of this whole story So if it's just tonight  
The animal inside  
Let it live and die Like it's the end of time  
Like everything inside  
Let it live and die [Chorus]  
This is our last chance  
Give me your hand  
'Cause our world is spinning at the speed of light  
The night is fading  
Heart is racing  
Now just come love me like we're gonna die Oh I'm not asleep  
I'm up for the fight  
Into the magic And I don't want the concrete  
I am alive  
It comes with the tragic So if it's just tonight  
The animal inside  
Let it live and die [Chorus] Oh [Chorus]
