

All The Things She Said

The BossHoss

Don't you look back on a big lost world
Crying out tomorrow
Don't you look down like the heroes say
Come, tell me all about it Take me to the streets where the bonfires burn
Take me in your arms and I'll fade away
When I hear you say what you gotta say Anywhere you go, you know I'll still be waiting
All the things she said, she said
Little darling, close your eyes, there'll be no compromising
Of all the things she said, she said Throw me to the street where the heartbeats beating
It's beating all around me
To the peaceful revolution and the perfect wave surround me Tell me 'bout the ocean moving in slow motion
I see it glitter in the sun then it's freezing in the moonlight
Never look back, never look back, never look away When freedom comes and goes, you know I'll still be waiting
All the things she said, she said
You've fought the fight so long, no surrender to temptation
All the things she said, she said Stars will fall out for you
Luck will surrender
I'm calling out to you Oh, to be near you in the first morning light
I'd be with you, I dream about you
If I could leave here, I would leave here tonight
I'd be with you, I'd stay with you tonight, tonight Anywhere you go, you know I'll still be waiting
Of all the things she said, she said When I look into your eyes, I see a new day rising
Of all the things she said, she said
Through the eyes of love and to never know what hate is
Of all the things she said, she said She said, this is our time, she said, this is our place
This is the space my heart wants to be
Little darling, close your eyes, there'll be no compromising
All the things she said, she said
