Delirium

Red Nichols

There's a stain, there's a stain, there's a stain on the floor
I wanna soak, wanna scrub, wanna clean anymore
But all the nurses are refusing to let me out of bed
And my eyes are pouring nightly
There's a crowd, there's a crowd, there's a crowd on my ward
I'm full of joy, full of glee, jubilation and more
These crazy stupid mother*** never leave me alone
And my lungs are wheezing slightly
There's a buzz, there's a buzz, there's a buzzing of bugs
From flower beetles, yellow jackets, silverfishes to slugs
It's always raining caterpillars from the circular fan
And my heart is pounding brightly
I swim in pharmaceuticals, I swim in pharmaceuticals
The medicine deactivates the things I take, the things that take me
I swim in pharmaceuticals, I swim in pharmaceuticals
The medicine deactivates the things I take, the things that take me
There's a voice, there's a voice, there's a voice in my head
It's rather soothing and it tells me I'd be better off dead
But if I beat it, maybe punch it, even kick it away
Then everything will be all rightly
I swim in pharmaceuticals, I swim in pharmaceuticals
The medicine deactivates the things I take, the things that take me
I swim in pharmaceuticals, I swim in pharmaceuticals
The medicine deactivates
I didn't know it was hot in the middle
I touched it once then I touched it a second time
'Cause I am that naive, a myriad of bright ideas
I didn't know I'd get caught in the middle
I touched it once and I touched it a second time
'Cause I am that naive, a myriad of bright ideas
I swim in pharmaceuticals, I swim in pharmaceuticals
The medicine deactivates the things I take, the things that take me
I swim in pharmaceuticals, I swim in pharmaceuticals
The medicine deactivates
I didn't know it was hot in the middle
I touched it once then I touched it a second time
'Cause I am that naive, a myriad of bright ideas
I didn't know I'd get caught in the middle
I touched it once then I touched it a second time

'Cause I am that naive, a myriad of bright ideas
