Oath

Devour The Day

I would ignore the pain
Sow my own eyes shut just to carry on
To get back to you
And for your sake I crawl the ocean floor
I burn under the sun
To get back to youDon't give up
Don't give up on meOne way or another, one way or another
One way or another, one way or another
No matter what it takes or what life makes
One way or another I'm coming home to youI will listen to my beating heart
It shows me where to go to get back to you
And no distance has ever been too far
No road is too long to get back to youDon't give up
Don't give up on meOne way or another, one way or another
One way or another, one way or another
No matter what it takes or what life makes
One way or another I'm coming home to youDon't give up on me
Don't give up on me
Don't give up
Don't give up
Don't give upOne way or another, one way or another
One way or another, one way or another
No matter what it takes or what life makes
One way or another I'm coming home to youOne way or another I'm coming home to you
One way or another I'm coming home
No matter what it takes or what life makes
One way or another I'm coming home to you
