I Need This

Goodnight Nurse

Tell me that we'll be fine
Just cover up my eyes
For me

Tell me another lie
You know that I don't mind
Fool me

CHORUS:

I-ee-I-I-I (I-ee-I-I-I)
I-ee-I-I-I (I-ee-I-I-I)
I-ee-I-I-I (I-ee-I-I-I)
I-ee-I-I-I (I-ee-I-I-I)
Need This
I need This

If it is just for show
Don't ever tell me so
I beg you

Say what I want to hear
Cover my burning ears
From the Truth (From the Truth)

I-ee-I-I-I (I-ee-I-I-I)
I-ee-I-I-I (I-ee-I-I-I)
I-ee-I-I-I (I-ee-I-I-I)
I-ee-I-I-I (I-ee-I-I-I)
Need This
I need this

So give me something to believe
The slightest word is all I need
Do all you can to keep my by
Then I'll pretend that I'm alright
I'm in the dark so let me stay
Just tell me when to turn away
(Just tell me when to turn away)

Let me believe in you
You know that I want to
Hold on

I see it in your eyes
But I'd rather live a lie
Than say Goodbye

I-ee-I-I-I (I-ee-I-I-I)
I-ee-I-I-I (I-ee-I-I-I)
I-ee-I-I-I (I-ee-I-I-I)
I-ee-I-I-I (I-ee-I-I-I)
Need This
I need this x2

So give me somethying to believe
The slightest word is all I need
Do all you can to keep me by
Then I'll pretend that I'm alright
I'm in the dark so let me stay
Just tell me when to turn away

I need this
Just tell me when to turn

I need this
