

Easy As 1,2,3

Jay Sean

Hey baby, can I talk to you?
Can I talk to you for a minute?
Hold on, oh yeahHey girl, now that I got you here with me, alone
Hey darling, been thinking about us
And what we got going on
And I know this thing is far too long but still
Should've let you know the deal
Let me tell you how I feelI'll let you know the feeling is mutual
I'll make you feel, there ain't nothing I won't try
Don't be afraid, let's get a little physical
Even though I'm out of taking some time
I really wanna made it be rightIt's easy as 1, 2, 3, A, B, C
Baby girl, you and me, you know it
It's easy as 1, 2, 3, A, B, C
Baby girl, you and me, it doesn't take a genius to knowLook here, baby
I know when you know the world knows that you're fine
So later, I ain't gonna feed your ego all/on the time
'Cause you're so much more than looks and pretty smiles
And girl, that's just my style, I know it's been a while butI'll let you know, baby girl, the feeling is mutual
I'll make you feel, there ain't nothing I won't try
Don't be afraid, it's so much more than physical
Guess I'm only making up for last time
But I really want it just to be rightIt's easy as 1, 2, 3, A, B, C
Baby girl, you and me
Can't you see it's easy as 1, 2, 3, A, B, C
You and meWho can know it's been years
Since we broken own way
But baby girl, I really can't compete with you
And I really hope you don't take this personal
And I know that when you are with me
You think of me tooIt's easy as 1, 2, 3, A, B, C
You really should know, you and me
It's easy as 1, 2, 3, A, B, C
You and me, baby, we should be together1, 2, 3, A, B, C, you and me
It's easy as 1, 2, 3, A, B, C
You and me
