Maybe He'll Know

Blue Angel

Oh oh, oh oh, oh ohMaybe he'll know, why
I'm not so sure
Maybe he'll know, why
Maybe he'll be, be my cureOh oh, oh oh, oh ohMaybe he'll know, well
I'm not so sure
Maybe he'll know, well
Maybe he'll be, oh ohSomething calls to me, I know
I hear an echo start to pound like a drum
Chanting a song, anchor me
But don't take too longSay you'll never go, no you never
(No, no)
Say you'll never go, no you never
(I got this anxious feeling)
Say you'll never go, no you never
Say you'll never go, no you never
(I got this ache engraved in me like stone)Say you'll never go, no you never
(Don't take too long)
Say you'll never go, no you never
(Say you'll never leave me)
Say you'll never go, no you never
Say you'll never go, no you never
(Say you never go)
No, no no, no noMaybe he'll know, why
I'm not so sure
Maybe he'll know, why
Maybe he'll be, be my cureMaybe he'll know, why
I'm not so sure
Maybe he'll know
Maybe he'll be, oh ohSomething calls to me, I know
I hear an echo start to pound like a drum
Chanting a song, anchor me
But don't take too longSay you'll never go, no you never
(No, no)
Say you'll never go, no you never
(I got this anxious feeling)
Say you'll never go, no you never
Say you'll never go, no you never
(I got this ache engraved in me like stone)Say you'll never go, no you never
(Don't take too long)

Say you'll never go, no you never
(Say you'll never leave me)
Say you'll never go, no you never
Say you'll never go, no you never
(Say you never go)Say you'll never go, no you never
(Don't take too long)
Say you'll never go, no you never
(I got this anxious feeling)
Say you'll never go, no you never
Say you'll never go, no you never
(I got this ache engraved in me like stone)Say you'll never go, no you never
(Don't take too long)
Say you'll never go, no you never
(Say you'll never leave me)
Say you'll never go, no you never
No, no you'll never, no no you never
(Say, say you'll never leave me)Ho ho ho
Ho ho ho
