Wake Me

Phazer

Thereâ€™s always a bride to love,
Thereâ€™s always a son to be born,

I â€˜m awake now, Morning 8:10,
Another Saturday, We can wake up txogether;
Join me, on the easy game,
Close you eyes and feel this slack cord on your feet

I have this moment to use
I am afraid of losing
I have the urge to defy
I'd like to be like the man on the edge

Wake me. You wanna do it;
Wake me. Maybe I can do it myself
Wake me. Can you really do it?
Wake me. Please donâ€™t give me lowball!

Iâ€™m a walker. Iâ€™m a dead man.
Iâ€™m a wonder man. Now I can lift my head.
Play me. Have you already played?
Play one more time. Feel this slack cord on your feet

I have this moment to use
I am afraid of losing
I have the urge to defy
I'd like to be like the man on the edge

Pulling down to the end,
Now I see what it means
Now I see through the fence
And I dive
And I blend

What life brings to my hand
I conjure up and I taste it
Bittersweet, I could spit it out
I could spit it out
Never swallow

I have this moment to use
I am afraid of losing
I have the urge to defy
I'd like to be like the man on the edge

Wake me. You wanna do it;
Wake me. Maybe I can do it myself
Wake me. Can you really do it?
Wake me. Please donâ€™t give me lowball!
