

Cold, Cold Heart (Duet With Tim McGraw)

[Tony Bennett](#)

I tried so hard, my dear, to show that you're my every dream
Yet you're afraid each thing I do is just some evil scheme
A memory from your lonesome past keeps us so far apart
Why can't I free your doubtful mind and melt your cold, cold heart? Another love before my time made your
heart sad and blue
And so my heart is paying now for things I didn't do
In anger unkind words are said that make the teardrops start
Why can't I free your doubtful mind and melt your cold, cold heart? There was a time when I believed that you
belonged to me
But now I know your heart is shackled to a memory
The more I learn to care for you, the more we drift apart
Why can't I free your doubtful mind and melt your cold, cold heart?
