Closer (feat. Halsey)

The Chainsmokers

Hey, I was doing just fine before I met you
I drank too much and that's an issue but I'm okay
Hey, you tell your friends it was nice to meet them
But I hope I never see them againI know it breaks your heart
Moved to the city in a broke down car and
Four years, no calls
Now you're looking pretty in a hotel bar and
I can't stop
No, I can't stopSo baby pull me closer in the backseat of your Rover
That I know you can't afford
Bite that tattoo on your shoulder
Pull the sheets right off the corner
Of the mattress that you stole
From your roommate back in Boulder
We ain't ever getting olderWe ain't ever getting older
We ain't ever getting olderYou, look as the good as the day as I met you
I forget just why I left you, I was insane
Stay, and play that blink-182 song
That we beat to death in Tuscon, okayI know it breaks your heart
Moved to the city in a broke down car and
Four years, no call
Now I'm looking pretty in a hotel bar and
I can't stop
No, I can't stopSo baby pull me closer in the backseat of your Rover
That I know you can't afford
Bite that tattoo on your shoulder
Pull the sheets right off the corner
Of the mattress that you stole
From your roommate back in Boulder
We ain't ever getting olderWe ain't ever getting older
We ain't ever getting olderSo baby pull me closer in the backseat of your Rover
That I know you can't afford
Bite that tattoo on your shoulder
Pull the sheets right off the corner
Of the mattress that you stole
From your roommate back in Boulder
We ain't ever getting older
We ain't ever getting older (we ain't ever getting older)
We ain't ever getting older (we ain't ever getting older)

We ain't ever getting older (we ain't ever getting older)
We ain't ever getting olderWe ain't ever getting older
No we ain't ever getting older
