

Can't Stop

MoZella

Speak to me, read my mind
And fill your mouth with flesh and wine
And I'll be yours, just give me time
Give me time'Cause you have everything I could ever want
You have everything I could ever want
You speak to my soul like you've known it beforeAnd I just can't stop
Lord, I can't stop myself
I can't stop
Lord, I can't stop myself nowI'm losing sleep over you
And I don't know what I've got myself into
You just have something that I need
I can't put my finger on it
You can put yours on me'Cause you have everything I could ever want
You have everything I could ever want
You speak to my soul like you've known it beforeAnd I just can't stop
Lord, I can't stop myself
I can't stop
Lord, I can't stop myselfNow that you know, I can't get enough
I gotta have all your loveYou have everything I could ever want
You have everything I could ever want
And you speak to my soul like known it beforeAnd I just can't stop
Lord, I can't stop myself
I can't stop
Lord, I can't stop myselfI won't stop
Lord, I can't stop myself
I can't stop
Lord, I can't stop myself now
