

# Be There For You

Willie Nelson

It's the way that you kiss me  
It's the way that you don't  
It's the way that you'll miss me  
When you swear that you won't There's a feeling you give me  
When we talk on the phone  
God, I hope you outlive me  
So I'm never alone Whatever you do, I will be there for you  
Through the thunder, the wind and the rain  
And whatever you do, I will promise to you  
I will be there, I'll be there for you I may lack social graces  
But I won't swallow my pride  
There are millions of places, places  
I could be but I'm here by your side And whatever you do, I will be there for you  
Through the thunder, the wind and the rain  
(Be there for you)  
And whatever you do, I will promise to you  
I will be there  
(Be there)  
I'll be there for you Though there's nothing to guide us  
We will weather the storm  
Till the heavens divide us  
I will keep you from harm Whatever you do, I will be there for you  
Through the thunder, the wind and the rain  
(Be there for you)  
And whatever you do, I will promise to you  
I will be there  
(Be there)  
I'll be there Whatever you do, I will be there for you  
Through the thunder, the wind and the rain  
(Be there for you)  
I will always be true, this I promise to you  
I will be there  
(Be there)  
I'll be there for you Show, show, show, show, show
