

Three Words

Marcus Canty

I don't really wanna do this
Tonight I'm willing to do this just for you
But as soon as I let this go
Girl, I already know what it can do
This gon make everything change
And I know I got you babe
It's so easy to see it
But it's just so hard to say
And I don't really wanna do this
But tonight, girl, I'm just gon so this thing for you
Girl I can feel it in the air
I need your hands in the air
(Bridge 1)
'Cause I ain't never scared
Girl, if you're sure
It's all that I have
'Cause I ain't afraid to say those three words to ya
But I'mma say those three words to ya
(Bridge 2)
Because I know you're all I need
And I just wanna be there
And it ain't no guarantee
We will make it if I say those three words to ya
But I'mma say those three words to ya
(Chorus)
I love you, you
I love you, you
I love you, you
I love you
I love you
So now that you know what the truth is it's on you
And I know it's a thin line
Between love and a good time
Which one are you?
I need your hands in the air
Said I need your hands in the air
Girl, lift your hands in the air
If you ain't afraid to love somebody

(Bridge 1)

?Cause I ain?t never scared
Girl, if you?re sure
It?s all that I have
?Cause I ain?t afraid to say those three words to ya
But I?mma say those three words to ya

(Bridge 2)

Because I know you?re all I need
And I just wanna be there
And it ain?t no guarantee
We will make it if I say those three words to ya
But I?mma say those three words to ya

(Chorus)

I love you, you
I love you, you
I love you, you
I love you
I need your hands in the air
Said I need your hands in the air
Girl put your hands in the air
If you ain?t afraid to love somebody

(Bridge 1)

?Cause I ain?t never scared
Girl, if you?re sure
It?s all that I have
?Cause I ain?t afraid to say those three words to ya
But I?mma say those three words to ya

(I?mma say those three words)

(Bridge 2)

Because I know you?re all I need
And I just wanna be there
And it ain?t no guarantee
We will make it if I say those three words to ya
But I?mma say those three words to ya

(Chorus)

I love you, you
I love you, you
I love you, you
I love you
I love you, you, you
I love you, you
I love you
