Lamborghini lover, keep my bitches topless
I pay them boys to do it, keep my record flawless
May run for state attorney just to free my dogs
I chose to run these streets until I was a boss
Don't call it yo house until you paid it off
I pay up for a mouth just like a round of golf
I try to stay in shape, I'm standing counting ones
Red Lamborghini, bitches know I'm drivin one
Niggas buyin pussy, boss buyin pussy
I could buy the club, boss buyin tootsies
Diamonds on my neck, call me K.O.D.
I just want afford necks, so I pay the feeI only fuck with niggas in them Lambos (Gallardo)
