Ex-excuse me  
We are two  
Ye-yeah, uh, me and my girlfriend  
What ? No, no, listen we are on the list  
Oh my God ! I tell you man, I come here every friday  
I'm not gonna pay tonight, alright ?  
Excuse me, may I speak with Mark ?  
He's not here yet ? HE'S NOT HERE YET ?  
Ok, is Joshua here ? I'm a friend of JoshuaNa na na na nae  
Na na na lah lah lah laiThrough this way is hard  
Open your wings and fly  
Follow your heart  
Don't try to hide and lie  
Through this way is hard  
Open your wings and fly  
Follow your heart  
Don't try to hide and lieEveryone has  
Everyone has insideNa na na na nae  
Na na na lah lah lah laiNobody knows  
Nobody knows why a fire that burns  
A flame that cannot die  
Nobody knows  
Nobody knows why a fire that burns  
A flame that cannot dieNa na na na nae  
Na na na lah lah lah laiOh my God ! I'm not gonna pay tonight, alright ?Na na na na nae  
Na na na lah lah lah lai
