

Codependent

Louden Swain

You better get back panic attack
It's always the same thing with me
Eight times I tried but the phone just died
The land line's jammed, I tried her on her cell
And now I'm talkin' to myself
Because there ain't nobody else
Here with me My old friends, they met my new friends
And now they're better friends than with me
I'm like a coffee cup, behind your favorite mug
I sit alone, get dusty on the shelf
And now I'm talkin' to myself
The Doctor says that I'm not well
Codependency
And I go
Where she goes
Yeah I go
Where she goes I'm no good without her
It's not healthy
Let me sing my sorrows
I know I'm freaky
She'll be home tomorrow
And I'm allowed to be
The lead in my own show
I know it's a soap
Or maybe it's a comedy
Codependency
And I go
Where she goes
Yeah I go
Where she goes The doorbell rings, but I'm not answering
I can't find the words or my pants
I've capsized, I'm alone and I'm an S.O.S.
Come get me I'm afloat
And I'm no good on a boat
Yeah the Doctor calls it Codependency
And I go
Where she goes
Yeah I go
Where she goes
